
PHCS *Open Access*

Providing Freedom of Choice for Your Members and Significant Savings for You

PHCS *Open Access* is designed for customers who want to offer their members direct access to providers while taking advantage of the substantial cost savings available through the **PHCS *Network***.

PHCS *Open Access* allows you to offer highly valuable freedom of choice for your members while lowering your health care claim costs. **PHCS *Open Access*** gives your members access to a select network of providers and facilities that have been chosen for their extensive managed care experience.

This select network has met rigorous PHCS credentialing standards. These strict standards are just part of our demonstrated commitment to provide quality to our customers and their members.

We are the first and only national PPO to have earned four endorsements of quality from the two most respected independent quality assurance companies in the country; the National Committee for Quality Assurance (NCQA) and URAC. As a result, when you choose **PHCS *Open Access***, you can be assured that your members have access to the Network widely regarded as the quality leader in our industry.

Benefits for You

- Your health care claim costs are lowered as you receive significant savings by utilizing the **PHCS *Network*** and our discounted provider and facility rates
- You are able to provide your members with seamless health care coverage by offering access to a nationwide provider network
- Providers and facilities in our Network are subject to rigorous credentialing standards to ensure that, no matter where your members are located, they have access to providers and facilities that have met our criteria
- You receive streamlined customer service through a dedicated PHCS Account Manager who is your single point of contact for all your PHCS needs

Benefits for Your Members

- Your members have access to a nationwide PPO widely regarded as the quality leader in the industry
- Out-of-pocket expenses may be lowered for your members who use providers and facilities participating in the **PHCS *Network***
- Your members receive peace of mind knowing that they have access to providers who have met our rigorous credentialing standards
- Provider selection is easy as your members may call our toll-free Customer Service number located on their ID card, or visit www.phcs.com for a list of participating providers
